*2013 Capital Campaign
and Camp Development Update*

GREAT SMOKY MOUNTAIN COUNCIL, BOY SCOUTS OF AMERICA
 Capital Campaign and Camp Development Update
 September 2013

“Amazing transformation.” “Best camp facilities I have ever seen.” “I am amazed by all of the positive changes in such a short time period.” These are just a few of the positive comments regarding the capital improvements at Camp Buck Toms and Camp Pellissippi. We are proud to present this camp improvements update to you and to thank you for your generous support of Scouting programs for over 15,000 youth and adult volunteer leaders in the twenty-one counties of the Great Smoky Mountain Council.

To date, almost \$3.3 million has been pledged or donated by generous contributors who want Camp Buck Toms and Camp Pellissippi to remain great camp facilities that can be enjoyed for many future generations of Scouts and families.

Since the Capital Campaign began in 2011, numerous development projects have been completed at both camps. The cost of these projects account for the total dollars raised to date. To complete the planned camp development projects, another \$500,000 is needed. These future projects include renovating and expanding the Training Center and completing shelters in the campsites at Camp Buck Toms. Additionally, raising \$500,000 more will allow the council to build a floating dock and parking area at Camp Pellissippi.

Again, thank you for all that you do to ensure successful Scouting programs for the youth of East Tennessee.

Yours in Scouting,

WES STOWERS
 Capital Campaign Chair

RANDY BOYD
 Council President

LARRY BROWN
 Scout Executive
