CUB SCOUTS...

DEDICATED TO BRINGING OUT
THE BEST
IN BOYS AND GIRLS

FAMILY FOCUSED. VALUE DRIVEN.

Cub Scouting is a year-round program uniquely designed to meet the needs of young boys and girls (kindergarten through fifth grade) and their families. The program offers fun and challenging activities that promote character development and physical fitness. Family involvement is an essential part of the program, and parents are encouraged to play an active role. Cub Scouting helps parents make the most of the time they have to impact the lives of their children.

IT'S A KNOWN FACT THAT KIDS JUST WANT TO HAVE FUN—THE WILDER THE BETTER.

As a parent, you want them to experience so much more, learn new things, appreciate the world around them, and stay safe. That's what Scouting is all about—having fun while learning the fundamentals of success.

CUB SCOUTING...

- Nurtures leadership and character growth
- Strengthens families
- Helps boys and girls develop interests and skills
- Provides adventure
- Creates fellowship
- Promotes diversity
- Teaches duty to God and country
- Is FUN!

A research study by Tufts University showed that more time spent in Scouting results in better character development.

DO YOUR BEST. HAVE FUN DOING IT.

The best way to find out what you do best is to do it. Catch a fish. Ride a bike. Set up a tent. Build a Pinewood Derby® car. Shoot a bow and arrow. Cub Scouting offers boys and girls the opportunity to see and learn fun, new things that can't be found anywhere else.

Cub Scouts are at that magical age where everything is new and possible and, most important, fun. They build things. Play with purpose. Make friends and work together. The life lessons learned here not only transform today's Cub Scouts into tomorrow's Scouts BSA members but also help form a foundation to embrace opportunity and overcome obstacles in life.
